The
exotic
teapot

Double Walled

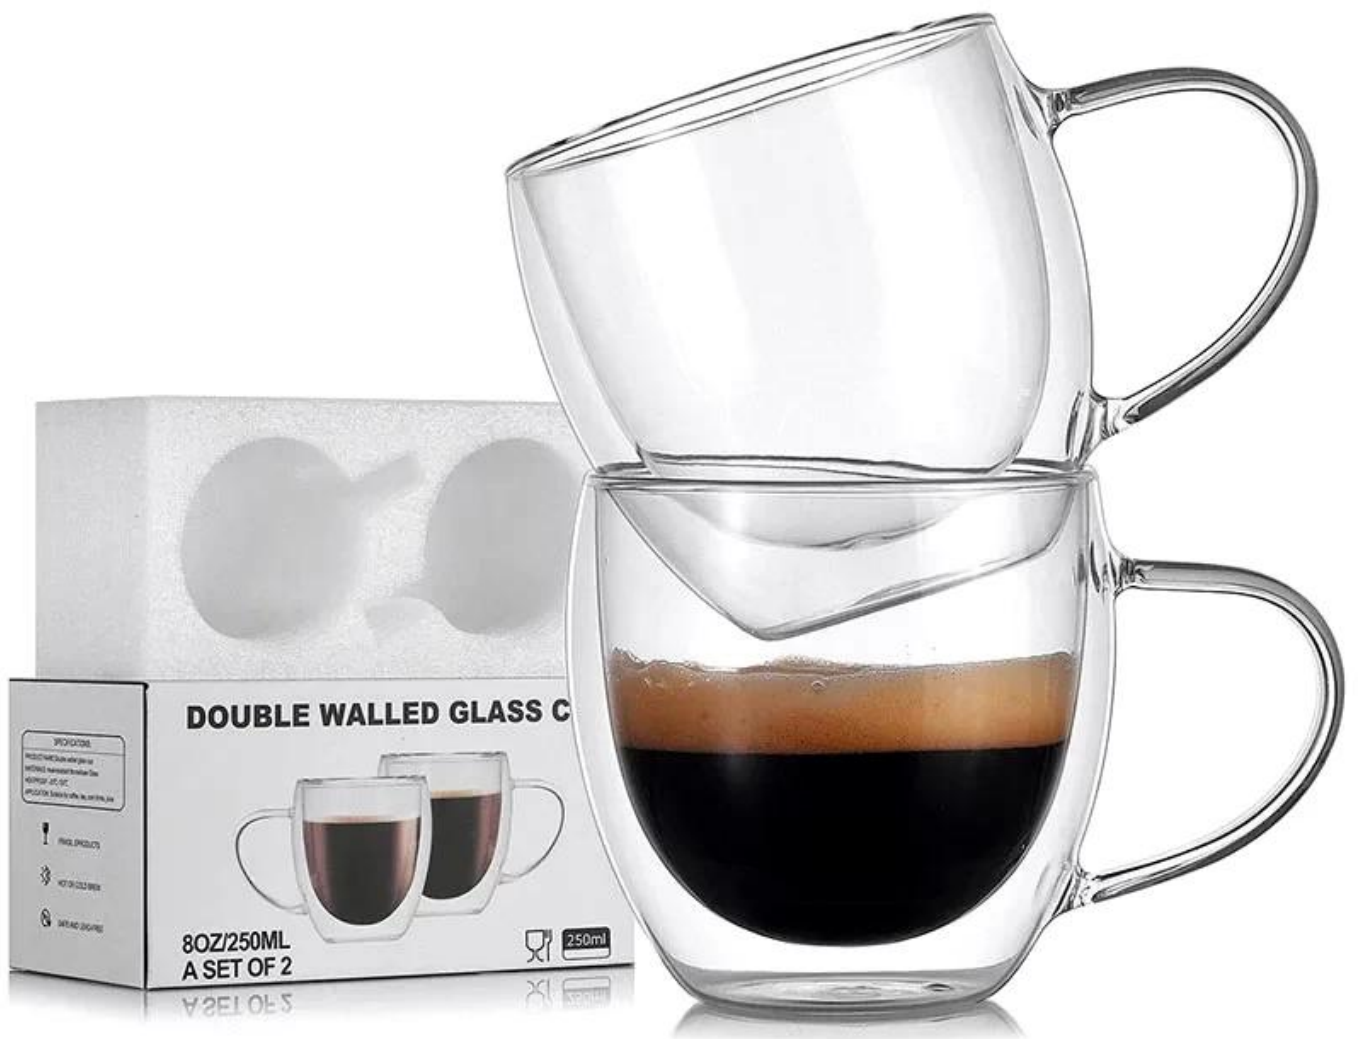

Glass Cup

120ml

Care Instructions
Although this borosilicate glass cup
is heat resistant, avoid exposure
to sudden changes or extremes
of temperature.

Clean the cup before first use.
Manual cleaning is recommended
to avoid scratching. Avoid abrasive
spots or accidental breakages.
The small air hole on the base helps
regulate air pressure between
the glass walls.

RUIXIN GLASSWARE®

— since 2005 —
