Shenzhen Ruixin glassware company are a very professional glassware company, and have been in this field over 15 years.

Head office in Shenzhen and have three factory, one is located in Shenzhen, another two factory are in Shanxi, which are the biggest hand painting factory in China.

Ruixin factory passed Sedex factory audit.

In order for our factory to have a big development, we invested a series of machines, such as automatic spray machine, electroplated machine, etching and sandblasting machines.

We also own an after treatment factory which has advanced machines, which can do electroplating, hand painting, silkscreen printing, color spraying, etching and sandblasting, so we can finish samples with your artwork in seven days.
