

# DIY Scented Reed Diffuser

Materials: Glass bottle, reed sticks, essential oil, decorative balls

Steps: 1. Add essential oil to the bottle. 2. Insert reed sticks and decorative balls. 3. Seal the bottle. 4. Place in a room.

1. Add 10-20 drops of essential oil to the bottle.

2. Insert the reed sticks and decorative balls into the bottle.

3. Seal the bottle with a cork or stopper.

4. Place the diffuser in a room with good air circulation.
