A tall, cylindrical glass vase with a vibrant orange and white leopard print pattern. The pattern consists of irregular, dark orange spots of varying sizes on a lighter orange background. The vase is shown against a plain white background.

A close-up photograph of a glass filled with a pink and white speckled liquid, likely a cocktail. The glass is cylindrical and has a thick base. The liquid inside is a mix of light pink and white, with numerous small, dark red or brown specks scattered throughout, giving it a marbled or speckled appearance. The lighting is soft, highlighting the texture of the liquid and the transparency of the glass.

A cylindrical glass vase with a pattern of gold-colored circles of varying sizes, creating a textured, mosaic-like effect. The circles are set against a clear glass background.
