Other Information

- **About Factory**

- With extensive experience and a dedicated team, Ruixin Glass specializes in producing high-quality glass tumblers tailored for businesses across various industries. Our glassware solutions are designed to meet both functional needs and aesthetic preferences, and we work closely with our customers to provide durable, stylish, and customizable products. We welcome inquiries and value your feedback.

- **About Customization & Ready-to-Ship**

- As we primarily focus on custom glass tumblers, we maintain a minimal inventory of ready-made stock. However, we offer samples for potential business partners interested in collaborating. Our customization services include a wide range of options to ensure your tumblers meet your specific needs.

- *Customizable Items with Minimum MOQ:

1. Surface treatment options, such as spray (misted/smooth surface), electroplating, etc.
2. Customization of brand labels.
3. Silk screen logo customization.
4. Lid customization (for tumblers with lids).

- *Customizable Items Requiring Higher Order Quantities:

1. Shape customization.

- Our dedicated Business Department team is committed to providing attentive service and prompt responses to your inquiries, regardless of your location or the time you send your message.
