

What are the features of our Bohemia fruit bowls?

- 1) Our Bohemia fruit bowls are machine blasted/pressed, showcasing an elegant pattern suitable for use in restaurants, hotels, homes, and at events.
- 2) Each piece of our Bohemia fruit bowls undergoes meticulous design and thorough quality control to ensure perfection.
- 3) We offer customization options for our Bohemia fruit bowls, including logos, patterns, sizes, and colors, based on your specifications. Our techniques include decal application, carving, electroplating, sandblasting, and paint spraying.
- 4) Various packaging options are available for our Bohemia fruit bowls, such as PVC boxes, window boxes, color boxes, and shrink wrap, ensuring direct retail suitability. Our standard export packing guarantees safe shipment.
- 5) With a self-owned warehouse covering 12,000 square meters and ample stock, we ensure timely delivery to support our supply.
- 6) Our Bohemia fruit bowls are eco-friendly and have passed food safety tests, ensuring their suitability for use.
